Plan design and rates indicate which of the following items are applicable to the proposed plan. Below information includes all options available in the proposed situs state.

Group Voluntary 24-Hour Accident pays the following benefits for covered on and off the job accidental injuries that result within 90 days (180 days for Accidental Death or Dismemberment) from the date of the accident. A physician must diagnose covered losses. Any loss not stated is not covered. Treatment must be received in the United States or its territories. BASE ACCIDENT BENEFITS DESCRIPTIONS

Accidental Death – Pays a benefit for accidental death.

Common Carrier Accidental Death - Pays a benefit for death while riding as a fare-paying passenger on a scheduled common carrier.

Dismemberment - Amount paid depends on dismemberment, as shown in policy schedule.

Dislocation or Fracture - Amount paid depends on dislocation or fracture, as shown in policy schedule. Only dislocations and fractures listed in policy schedule are covered.

Initial Hospitalization Confinement - For each covered person, the policy will pay the one-time benefit shown on page 2 when the covered person is admitted in the hospital as a result of an injury.

Hospital Confinement – Benefit paid per day, maximum of 90 days per injury.

Intensive Care - When a covered person is hospitalized and admitted into the intensive care unit as a result of an injury, the policy will pay the benefit shown on page 2 per day of confinement. The maximum number of days that this benefit is payable for each continuous hospital intensive care confinement is 90 days.

Ambulance - Needed as a result of an accidental injury.

Medical Expenses - Medical fees up to benefit shown on page 2 for each covered person. Expenses incurred for this benefit are limited to: physician fees, X-rays, emergency room services, and repair to natural teeth if diagnosed by a dentist to have resulted from an injury.

Outpatient Physicians Treatment - Pays benefit shown on page 2 for each visit by a covered person to a doctor, outside of a hospital, for any reason. This benefit is payable a maximum of two times in a calendar year per covered person, not to exceed 4 times per year for Employee and Spouse Coverage, Employee and Child(ren) Coverage or Family Coverage.

#### ADDITIONAL BENEFIT DESCRIPTIONS

Hospital Admission Benefit - This benefit is payable only for accidents occurring 12 months after the covered person has been continuously covered by the policy. We pay the amount shown on page 2 for the first hospital confinement during a calendar year, provided a benefit is paid under the Hospital Confinement Benefit. The covered person must be confined to a hospital within 3 days after the accident. This benefit is payable only once per covered person per hospital confinement per calendar year.

Lacerations Benefit - We pay the amount shown on page 2 if a covered person receives treatment for one or more lacerations (cuts) within 3 days after the accident. This benefit is payable only once per covered person per calendar year.

Burns Benefit - We pay the amount shown on page 2 if a covered person receives treatment for one or more burns, other than sun burns, within 3 days after the accident. We pay the applicable amount only once per covered person per accident.

Skin Graft Benefit - We pay the amount shown on page 2 if a covered person receives a skin graft for a burn for which a benefit is paid under the Burns Benefit. The skin graft must be performed within 90 days after the accident. This benefit is payable only once per covered person per accident.

Brain Injury Diagnosis Benefit - We pay the amount shown on page 2 upon the first diagnosis of one of the following traumatic brain injuries by a covered person: concussion, cerebral laceration, cerebral contusion, or intracranial hemorrhage. The covered person must be first treated by a physician within 3 days after the accident. Diagnosis of the covered traumatic brain injury by computed tomography (CT) scan, magnetic resonance imaging (MRI), electroencephalogram (EEG), positron emission tomography (PET) scan, or X-ray must occur within 30 days after the accident. This benefit is payable only once per covered person.

- Computed Tomography (CT) Scan and Magnetic Resonance Imaging (MRI) Benefit We pay the amount shown on page 2 if a covered person receives a CT scan or MRI within 180 days after the accident. The covered person must first be treated by a physician within 30 days after the accident. This benefit is payable only once per covered person per accident per calendar year.
- Paralysis Benefit We pay the amount shown on page 2 if a covered person receives a spinal cord injury resulting in the complete and permanent loss of use of 2 or more limbs as a result of an injury. Paralysis must be confirmed by the attending physician within 3 days after the accident and have a duration of at least 90 consecutive days. This benefit is payable only once per covered person.
- Coma with Respiratory Assistance Benefit We pay the amount shown on page 2 if a covered person is in a coma as defined in the policy. This benefit is payable only once per covered person.
- Open Abdominal or Thoracic Surgery Benefit We pay the amount shown on page 2 if a covered person undergoes open abdominal or thoracic surgery for internal injuries within 3 days after the accident. We pay this benefit even if no surgical repair is required. If 2 or more surgical procedures are performed through the same incision or entry point, they are considered one operation.
- Tendon, Ligament, Rotator Cuff or Knee Cartilage Surgery Benefit We pay the first amount shown on page 2 if a covered person undergoes a surgical procedure to repair an injury to a tendon, ligament, rotator cuff or knee cartilage. The injured site must be torn, ruptured, or severed and the surgical procedure must be performed by a physician within 180 days after the accident. If exploratory surgery using arthroscopy is performed and no surgical repair is required then we will pay the second amount shown on page 2. If 2 or more surgical procedures are performed through the same incision or entry point, they are considered one operation and we will pay the amount for the procedure with the largest dollar amount benefit.
- Ruptured Disc Surgery Benefit We pay the amount shown on page 2 if a covered person undergoes a surgical procedure to repair a ruptured disc of the spine. The ruptured disc must be diagnosed and the surgical procedure must be performed by a physician within 180 days after the accident. If 2 or more surgical procedures are performed through the same incision or entry point, they are considered one operation.
- Eye Surgery Benefit We pay the amount shown on page 2 for surgery or removal of a foreign object from the eye of a covered person. The procedure must be performed by a physician within 90 days after the accident. An examination with or without anesthesia is not considered surgery. This benefit is payable only once per covered person per accident.
- General Anesthesia Benefit We pay the amount shown on page 2 if a covered person received general anesthesia administered by a nurse anesthetist or physician for surgery required to treat an injury provided a benefit is paid for the surgery under a Surgery Benefit of the policy. The surgery must be performed by a physician within 180 days after the accident.
- Blood and Plasma Benefit We pay the amount shown on page 2 if a covered person receives a blood or plasma transfusion within 3 days after the accident. This benefit is payable only once per covered person per accident.
- Appliance Benefit -We pay the amount shown on page 2 if a covered person receives one of the following medical appliances prescribed by a physician as an aid in personal locomotion or mobility: wheelchair, crutches, or walker. The use of a medical appliance must begin within 90 days after the accident. This benefit is payable only once per covered person per accident.
- Medical Supplies Benefit We pay the amount shown on page 2 for over-the-counter medical supplies purchased for a covered person provided a benefit is paid for the accident under the Medical Expenses Benefit. The supplies must be purchased within 90 days after the accident. We pay this benefit once per covered person per accident.
- Medicine Benefit We pay the amount shown on page 2 per accident for prescription or over-the-counter medicine purchased for a covered person provided a benefit is paid for the accident under the Medical Expenses Benefit. The medicine must be purchased within 90 days after the accident. We pay this benefit once per covered person per accident.
- Prosthesis Benefit We pay the amount shown on page 2 for a prosthetic arm, leg, hand, foot or eye prescribed by a physician to replace an arm, leg, hand, foot or eye that a covered person loses as a direct result of an accident. This benefit is paid only if a benefit is paid for the loss of an arm, leg, hand, foot or eye under the Dismemberment Benefit. The prosthetic device must be received within 180 days after the accident. This benefit is payable only once per covered person per accident.

- Physical Therapy Benefit We pay the amount shown on page 2 per day for physical therapy treatment received by a covered person when prescribed by a physician for an injury, provided a benefit is paid under the Medical Expenses Benefit. We pay for one physical therapy treatment per day for up to a maximum of 6 treatments per accident per covered person. Chiropractic services are excluded. Physical Therapy must begin within 90 days after the accident and take place no longer than 6 months after the accident. This benefit is not payable for the same visit for which the Accident Follow-Up Treatment Benefit is paid.
- Rehabilitation Unit Benefit We pay the amount shown on page 2 per day if a covered person is confined to a rehabilitation unit as a result of an injury, provided that the covered person has been hospital confined immediately prior to being transferred to the rehabilitation unit. This benefit is paid for each day a room charge is incurred, up to 30 days for each covered person per continuous period of rehabilitation unit confinement, for a maximum of 60 days per calendar year. This benefit is not payable for days on which the Hospital Confinement Benefit is paid.
- Non-local Transportation Benefit We pay the amount shown on page 2 per trip, up to 3 trips per accident, for non-local treatment of a covered person at a hospital or other specialized freestanding treatment center prescribed by a physician when the same or similar treatment cannot be obtained locally. "Non-local" means a one-way trip of 100 miles or more from the covered person's home to the nearest treatment facility. We do not pay for visits to a physician's office or clinic or for services other than actual treatment. Transportation by ground or air ambulance is not covered under this benefit.
- Family Member Lodging Benefit We pay the amount shown on page 2 per day, up to 30 days for each accident, for the lodging of one adult family member of the covered person's family to be with the covered person when a covered person is confined in a non-local hospital or other specialized freestanding treatment center for treatment. This benefit is only payable if the Non-local Transportation Benefit is paid. This benefit will not be paid if the family member lives within 100 miles oneway of the treatment facility.
- Post-Accident Transportation Benefit We pay the amount shown on page 2 if a covered person is hospital confined for at least 3 consecutive days due to an injury resulting from an accident which occurs more than 250 miles from his or her place of residence and the covered person is brought home by a common carrier. A common carrier means a method of transport with defined published routes, time schedules and rates approved by regulators including public airlines, railroads, and bus lines. Travel to the place of residence must take place within 48 hours following discharge from the hospital. This benefit is payable for the injured covered person only, and only if the Hospital Confinement Benefit is paid. This benefit is payable only once per covered person per calendar year.
- Accident Follow-Up Treatment Benefit We pay the amount shown on page 2 per day for follow-up treatment received by a covered person provided a benefit is paid under the Medical Expenses Benefit. We pay for one follow-up treatment per day for up to a maximum of 2 treatments per covered accident per covered person. Treatments must be administered by a physician in a physician's office or in a hospital on an outpatient basis. Treatment must begin within 90 days after the accident and take place no longer than 6 months after the accident. This benefit is not payable for the same visit for which the Physical Therapy Benefit is paid.

#### Specifications

You decide who is eligible for your group (such as length of service and hours worked each week). Issue ages are 18 and over. Family members eligible for coverage are the employee's spouse or domestic partner and eligible children. Coverage for children ends when the child reaches age 26, unless he or she continues to meet the requirements of an eligible dependent. Spouse coverage ends upon valid decree of divorce or the employee's death. Domestic partner coverage ends upon termination of the domestic partnership or the employee's death.

Coverage under the policy ends when: the policy is canceled; the employee stops paying their premium; last day of active employment, except as provided under the Temporarily Not Working provision; or they are no longer eligible.

#### Limitations and Exclusions

We do not pay for: injury incurred prior to the effective date of coverage subject to the Incontestability Provision; or any act of war whether or not declared, participation in a riot, insurrection, or rebellion; or suicide or any attempt at suicide,

whether sane or insane; any injury sustained while under the influence of alcohol or any narcotic unless administered upon the advice of a physician; or any bacterial infection (except pyogenic infections which shall occur with and through an accidental cut or wound); or participation in any form of aeronautics except as a fare-paying passenger in a licensed aircraft provided by a common carrier and operating between definitely established airports; or committing or attempting to commit an assault or felony; or driving in any organized or scheduled race or speed test or while testing an automobile or any vehicle on any race track or speedway; or hernia, including complications due to hernia. Any injury incurred while a covered person is an active member of the Military; Naval; or Air Forces of any country or combination of countries is not covered. Upon notice and proof of service in such forces, we will return the pro-rata portion of the premium paid for any period of such service.

### Portability Privilege

If a covered person's coverage terminates for reasons other than non-payment of premium, such covered person will be eligible for portability coverage. This means the covered person may continue the same benefits as under the group policy, subject to the conditions defined in the policy, as long as premiums are paid directly to American Heritage Life Insurance Company.

This material is valid as long as information remains current. Group Voluntary Accident benefits provided by policy form GVAP1, or state variations thereof.

Coverage is provided by Limited Benefit Supplemental Accident Insurance. The policy is not a Medicare Supplement Policy. If eligible for Medicare, review Medicare Supplement Buyer's Guide available from Allstate Benefits.

This proposal highlights some features of the policy but is not the insurance contract. For complete details, contact your Allstate Benefits Agent. This is a brief overview of the benefits available under the Group Voluntary Policy underwritten by American Heritage Life Insurance Company (Home Office, Jacksonville, FL). Details of the insurance, including exclusions, restrictions and other provisions are included in the policy and/or certificates issued.

The coverage does not constitute comprehensive health insurance coverage (often referred to as "major medical coverage") and does not satisfy the requirement of minimum essential coverage under the Affordable Care Act.
